

# WRITING INDUSTRIES CONFERENCE

Sat 6 March 2010  
Martin Hall,  
Loughborough University

## Getting About

If you're getting the train, shuttle buses run every 20 minutes at the weekend to take you from the station to the university campus, via the town centre. For more information visit [www.kinchbus.co.uk](http://www.kinchbus.co.uk). There are also several taxi firms in the area, many of which are parked right outside. The nearest bus stop on campus is just outside the Student Union and from here, the shuttle bus will take you back to the train station. Alternatively, if you're driving, follow this link for directions: <http://www.lboro.ac.uk/about/findus.html>

## Campus

Enter the campus from Epinal Way and Security will be able to give you directions to the Martin Hall building and explain where you can park. Once you have passed through the Security barrier, turn left and follow the Towers Way road all the way round to the Martin Hall building.
